

## INVENTOR'S DECLARATION AND POWER OF ATTORNEY

As the below named inventor, I hereby declare that my residence, mailing address, and citizenship are as stated below next to my name, and I believe I am the original and first inventor of the subject matter which is claimed and for which a utility patent is sought on the invention entitled: SINGLE WHEEL RADIAL FLOW GAS TURBINE, the specification of which was filed on March 2, 2004 and assigned Serial No. 10/790,873.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability of this application in accordance with Title 37, Code of Federal Regulations, § 1.56.

I hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate or any PCT international application having a filing date before that of the application on which priority is claimed:

Prior Foreign Application(s): None.

I hereby claim the benefit under Title 35, United States Code, § 119(e) of any United States provisional application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States provisional application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, § 1.56 which occurred between the filing date of the prior provisional application and the filing date of this application:

Prior Provisional Application(s): Ser. No. 60/482,671, filed June 26, 2003.

I hereby claim the benefit under 35 U.S.C. § 120 of any United States application(s), or § 365(c) of any PCT international application designating the United States of America, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT international application in the manner provided by the first paragraph of 35 U.S.C. § 112, I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application:

Prior U.S. or PCT Parent Application(s): None.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

I hereby revoke any previous Powers of Attorney and appoint Courtenay B. Allen, Reg. No. 43,469 and W. Bradley Barnes, Reg. No. 46,538, attorneys at law, of the firm of LOEFFLER JONAS & TUGGEY LLP, as my attorneys or agents as long as they remain with such firm, with full power of substitution and revocation, to prosecute the application, to make alterations and amendments therein, to transact all business in the Patent and Trademark Office in connection therewith, and to receive the Letters Patent.
